Copy this easy mines strategy. $25 profit wagering $100 total.

Strategy tip:
Save up $15 - $20. Play The Vault on easy mode.
Use a $0.10, $0.30, $0.80, $2, $5 etc martingale strategy. Pick right 3x in a row to win double your bet size.
For a safer strategy, starting with $2 bet 2x instead of 3x.

Strategy tip:
Save up $15 - $20. Play the Balloon pop game on x2 Balloons. Use a $0.20, $0.50, $1 , $2 etc ladder reseting your bet on a win
Gather $5+ and play that on 4 Super Hot Pinatas (Really any slot game but this worked for me)
